To Whom It May Concern,

I am writing in support of funding for Ogle County Habitat for Humanity.

As a Polo Lions Club member, we have been involved in many projects in Polo, Mt Morris and Oregon IL. Not only with volunteer labor support but yearly funding as well.

As a floor installer I have donated my time in several houses through the years. As Mayor of the City of Polo, IL have participated in several dedication ceremonies as well.

I feel Habitat for Humanity is an awesome representation of people helping people. I think it is a remarkable way to help families invest in a home which otherwise would be an unreachable dream. To be involved in dedication ceremonies is a touching and are inspiring experience.

I totally support the cause as Mayor, Business Owner and Lions Member, and Concerned Human Being.

Respectfully,
