To Whom It May Concern,

Board Members:

Chet Olson
President

Hub City Senior Center is pleased to offer this letter of support to Habitat for Humanity of Ogle County. Habitat for Humanity is a valuable resource to Rochelle area seniors as well as those living in surrounding areas. They have been instrumental in providing much needed and many times critical repairs to the homes of our most vulnerable residents.

Fred Horner
Vice-President

Through their Brush with Kindness program, they have been able to build several ramps along with provide other services that have an immediate impact for those in need. These essential services such as painting, landscaping and home repairs are imperative in keeping residents safe and independent in their homes. In addition to improving the lives of seniors and low income families through home repairs they have three new home builds in the Rochelle area.
