Executive Director
Habitat for Humanity of Ogle County

Vanessa,

As Mayor of Rochelle, it has been truly a blessing to see the work that Habitat for Humanity has done in our community. As you know, the need for "affordable" housing is very strong, and the supply is next to nothing. Your program has been able to supply and begin to fill that void, and I am truly hopeful that the Habitat for Humanity program will be able to continue with its great success as it has in the past.

Once again, the City of Rochelle and its residents are forever grateful for the help we have received. Your program is truly a "quality of Life" program for many.

Respectfully,
