Vanessa White-Broome , Executive Director
Habitat for Humanity

Dear Ms. White-Broome:

As Mayor of the City of Rochelle, I am writing to support the efforts of Habitat of Humanity of Ogle County and appreciate your continued interest in our community. Thank you for volunteering your time to help build the 122 South 9th Street residence.

When I think about all that Habitat for Humanity has accomplished over the years and the number of individuals and families who have been given the chance of home ownership, I am grateful for the organization's tireless efforts to change neighborhoods and lives. We welcome future Habitat for Humanity projects in Rochelle as we share the same mission and vision for providing our residents safe neighborhoods and opportunities to grow.

We greatly appreciate your dedication to eliminate poverty housing and replace it with decent, affordable homes. The spirit behind the Habitat for Humanity brand is an inspiration to all of us. We look forward to collaborating with you on future projects and hope this letter of support can encourage the funding needed to continue building homes, communities and hope.

Very truly yours,
